APPLICATION FOR INDIVIDUAL ARTIST

JOYA 2020

JOYA Barcelona Art Jewellery & Objects is the main art jewellery and art objects event in Spain. Gathering a great number of independent artists as well as related organizations, schools and other entities.

The transition to incorporating new technology into craft isn't always easy, but we can't deny that new technologies are stepping in the art jewellery field, and unlike some artists may think it's time to embrace this opportunity to create something new and develop new business in other craft fields.

There is a lot of information and point of views about new technologies in art jewellery, during the 12th edition of JOYA Barcelona, we invite you to be part of this debate. As technology meets traditional craftsmanship in various fields, artists question how and where the thin line should be drawn for appropriate uses of these new ways of doing traditional work.

JOYA 2020 will take place on the October 01, 02 and 03, 2020 at Disseny Hub Barcelona, Spain.

The Event

Its goal is to promote national and international artists through exhibition and communication, support jewellery and help open up an artistic market that has remained under exploited until now. Moreover, JOYA is a platform for artists to interact and share experiences and discuss their common issues, an opportunity for artists, press, distributors and interested audience to come into contact.

During 3 days, JOYA offers the designers a pleasant new space and environment to increase their contact lists and exhibit their pieces. The event is organized by Le Département Interiors S.L and directed by Paulo Ribeiro.

Legal information about metals

The manufacturer or importer has the legal obligation to make the pieces that manufactures or sells with two punches (origin and guarantee).

The retailer must also control and also is responsible for the presence of both parts in the acquired pieces. We insist once more: When pieces are offered for sale, seller is also responsible before the authorities and the consumer. Thus, there is always the obligation to require suppliers to furnish properly the punched parts, to avoid penalties; or alternatively, carry them to an official laboratory as the JORGC.

This link explains with more details the legal obligations in practical terms:

<http://www.jorgc.org/laboratori/resum-obligacions-legals>

Insurance and liability

JOYA provides security for the hall 24 hours. However, it is the sole responsibility of the exhibitors to assume the risk of loss or damage. We recommend that participants insure all pieces against any theft, loss or damage that could arise during the event, including during any transportation or storage.

Cancellation and Reimbursement

The selection committee has the right to cancel any participation on the basis of false information or if the participant fails to comply to the criteria and dates specified.

Cancellation of contract by the participant holds a 100% penalty of the total value of the participation fee if it is notified after payment has been deposited. Reimbursements will not be issued unless JOYA Barcelona agrees in writing and responds to an exceptional case.
